

This half term we are looking at the values and virtues: Faith-filled and Hopeful

Easter

- Know that the Church celebrates the presence of the Risen Christ at the Eucharist.
- Identify moments in the Mass when this is celebrated.

Pentecost

- Know the Story of Pentecost
- Recognise the change the Holy Spirit brought to the lives of the Apostles.
- Understand that in the celebration of the Sacraments the Church celebrates the presence of the Holy Spirit.

Year 6 and Year 3 Class Mass: Thursday 8th June 2017

Whole School Mass: Thursday 29th June 2017

Year 3 First Holy Communion: Saturday 1st July 2017

Whole School Thanksgiving Mass for Communicants:

Thursday 6th July

Whole School Mass: Friday 21st July 2017

Chocolate and Superheroes

- * **Report writing:** Plan and write a news story with key features and a TV news story, comparing and contrasting different elements.
- * **Superhero and Chocolate Poetry:** Perform poetry using voice effectively and write rhyming poetry. Explore styles and expression. Write rhyming poetry using relevant vocabulary and style.

CLASS BOOK: *Charlie and the Chocolate Factory* by Roald Dahl

Throughout the half term we shall be developing punctuation skills and the use of adjectives and connectives to add interest and detail to our writing.

Measurement:

- Measure, compare, add and subtract lengths, mass and volume / capacity.
- Continue to measure using the appropriate tools and units.
- Solve problems, including missing number problems, using number facts, place value and more complex addition and subtraction.

Statistics:

- Interpret and present data using bar charts, pictograms and tables.
- Solve one-step and two-step questions (for example, 'How many more?' and 'How many fewer?') using information presented in scaled bar charts and pictograms and tables.

Parent Planner Year 3
Summer Term 2nd half

Thank you in advance for your support,
Miss Shovlin ☺

Tuesday: Outdoor Athletics
Wednesday: Net and Wall games

Full School PE kit is needed.

Please ensure that girls have their earrings out on PE days.

SCIENCE

Biology element - Plants

- * All in a flower: exploring the role of insects in pollination.
- * Seeds in the making: consolidating knowledge of pollination.
- * Fruits galore
- * Gone with the wind: exploring seed dispersal
- * What an exhibition: consolidating knowledge and presenting information to an audience.

Topic for this term: Modern Europe

Focus on the key features of biomes across Modern Europe, food chains and animal adaptations. We will also be creating and using a classification key.

History, Geography, Art, ICT and DT skills will be developed and used to deliver this topic.

Please send in any resources you may have at home to help inspire and enthuse.
