

Our values and virtues are Faith-filled and Hopeful for this half term.

Pentecost

This unit is designed to develop knowledge and understanding of the story of Pentecost and of the activity and presence of the Holy Spirit.

Our Church

This unit is designed to develop understanding of what it means to belong to God's Family. In the unit we focus on the role of the parish and people with special responsibilities.

The Mass

This unit is designed to develop children's understanding of the structure of the Mass and what is taking place.

Whole School Masses: Thursday 6th July 2017 and Friday 21st July 2017

Class Mass: Thursday 29th June 2017

KS1 Service: Thursday 22nd June 2017

Monday: Dance

Thursday: Athletics

Full School PE kit is needed.

Please ensure that girls have their earrings out on PE days

Our focus for Literacy is Pirates.

We will be:

- * Writing our own sea shanties using rhyming couplets
- * Writing adventure stories using treasure maps
- * Writing a message in a bottle
- * Recapping and using the suffixes '-ful', '-ness' and '-less'.
- * Using commas in a list.

Please encourage your child to join their handwriting. Pen licences will be awarded for neat, joined handwriting!

Parent Planner Year 2
Summer Term 2nd half

Homework is sent home on a Friday and collected in on a Thursday. Thank you in advance for all your support.

Miss Peters ☺

SCIENCE

Plants

We will be learning all about plants this half term. We will be observing and describing how seeds and bulbs grow into mature plants and exploring what plants need to grow well. We shall be investigating the effects water, light and temperature have on plants too.

Number and place value

Counting in steps of 2, 3 and 5 forwards and backwards, and in 10s from any number.

Recognising the place value in each digit in a two-digit number.

Measure and money

Estimating and measuring length, mass, temperature and capacity, using the correct units and practising making amounts of money using different coins.

Addition and subtraction

Use written and mental methods to solve multiplication and division problems.

Multiplication and division

Use written and mental methods to solve multiplication and division problems.

Time

Tell the time to the nearest 5 minutes on an analogue clock.

Topic for this term:
'Oceans and Seas'

Geography, ICT, English and DT skills will be developed and used to deliver this topic.

* Music with Miss Kailey on Mondays.
